DRAW YOUR OWN ROUNDEL

WWW.AIRFORCEMUSEUM.CO.NZ/AFM-KIDS

Roundels are painted on military aircraft to let everyone know which country they belong to. Each country's air force uses a different combination of colours and shapes so that they are easy to identify.

Use the template above to design your own special roundel.

Use the roundels below for inspiration.

- What colours would your roundel be?
- What shapes and symbols would you use that are special to you?

You can find other examples of roundels by:

- Investigating roundels of other countries online.
- Visiting the Air Force Museum! See how many different roundels you can spot on our aircraft.
