

# MAKE YOUR OWN CUBE!

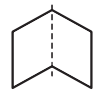

# AFM KIDS

## WHAT YOU'LL NEED:

- Printer
- Scissors
- Glue stick
- Colouring in pencils (optional)

## INSTRUCTIONS:

1. Print this sheet
2. Colour in the aircraft design
3. Use scissors to cut along the solid lines 
4. Fold inwards (away from the aircraft pattern) along the dotted lines 
5. Carefully use a glue stick on the grey tabs 
6. Fold each square up, and press glued tabs to back of closest square one by one.
7. There you have it, your very own cube!

## DID YOU KNOW?

You can see ALL of these aircraft and more at the Air Force Museum!

For other free printable holiday activities go to [www.airforcemuseum.co.nz/afm-kids](http://www.airforcemuseum.co.nz/afm-kids)
